INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

William Clark being first duly sworn deposes and says:

My name is William Clark, and I am about 48 years old. I live at Muncie, Ind. I claim my Indian descent through my father, John Clark, who died about 30 years ago. He was born in Guilford County N.C. and left there before I was born. He was close to 70 at the time of his death. I have heard him say that he was about 1/2 Cherokee Indian. My mother was colored woman, she was born in Pa. and was never a slave. My father never got any money from the Government on account of his Indian blood, and he was recognized as a colored man in the community in which he lived. I have also heard my uncles say that that they and my father had Cherokee Indian blood but I never heard any of them say in what way that they were recognized by the tribe.

#40564.

Albert W. Shocraft being first duly sworn deposes and says:

My name is Albert W. Shocraft, and I live in New Castle, Ind. I am 58 years old last month. I claim Indian descent through my great grandmother and great grandfather. My mother's name was Elizabeth Evans. I was born and raised in Ind. My mother was born in Guilford County, N.C. and was about 82 years old at the time of her death and she died in Ind. about 15 years ago. My father came to this country from N. C. in 1833. I never heard of my parents going further west. My mother claimed to be a 1/2 breed Indian. She claimed to be a Cherokee Indian. None of my ancestors ever passed as colored and if there was one drop of colored blood in their veins I never knew it. My mother never got any money from the Government on account of her Indian blood. My grandmother's name was Evans, but I do not know her first name. My grandfather's name was John Evans. These were the grandparents on my mother's side and the ones through whom I claim Indian descent. My grandparents lived and died in Wayne County, Ind. They came from Guilford County N. C. between 1833 and 1840. My grandparents were little better than half breeds. I have heard them speak of their Indian blood; they spoke of it several times. I am a first cousin to Elais F. Mitchell, #27466, who lives at Fountain City, Ind. and who is present here now. I have heard my cousin, Elais F. Mitchell, say that he claims his Indian blood through the Shocrafts, while I can also claim through the Evans family as well as the Shocrafts. Elais Mitchell knows more about the Shocraft ancestry than I do since he is older.

Relative to your application for participation
in the Eastern Cherokee and please state whether you
are a member of the Creek tribe? Were your ancestors
Creeks? Were any of your ancestors parties to the treaties
of 1835-6 and 1845? State clearly the name of the ances-
tor through whom you claim and where that ancestor resided
in 1835 and 1845? Were any of your ancestors slaves? Or
were you as wife or colored in the community in which
you lived?

Give any other information obtainable touching the
ancestry of your mother to be sure in this case.

Guion Miller,
Special Commissioner,
Washington, D.C.

Dear Sir:-

Your letter of the 23th. ult. relative to my application, No. 40531, for participation in the Eastern Cherokee fund, received, and in answer to the questions contained therein, I beg leave to submit the following answers, which are correct to the very best of my knowledge and belief.

I am a member of the Creek tribe.

My ancestors were both members of the Creek and Cherokee tribe of Indians.

According to the very best information obtainable and to the best of my knowledge and belief, my ancestors were parties to the treaties mentioned in your letter, of 1835 and 1836 and 1843.

The ancestor through whom I claim a right to a participation of this fund, is Susanna Mc. Intosh, nee Rowe, and who resided in the Cherokee Nation during the years intervening from 1835 to 1851, as mentioned in your letter.

None of my ancestors were slaves.

I pass as white and Indian in the community in which I live, having about one fourth Creek and Cherokee Indian blood and three fourths white blood in my veins.

I have always participated in the distribution of per capita payments in both the Creek and Cherokee Nations and there has never been any question as to my right to so participate in these payments, but having both the Creek and Cherokee blood, I could only take my allotment in one or the other Nation, and selected the Creek Nation.

Very respectfully,

Lucy B. Fisher

I am 48 years of age; was born in Hickman County, Tenn., and have lived there all my life. I claim Cherokee Indian blood through my mother. I have heard my grandfather was a half-blood Cherokee Indian. My neighbors, who knew my grandfather, John Hassel, told me he was an Indian. He lived in Hickman County. I remember him. I lived near him until he died. I have never tried to get any Indian money from the government and never received any. My mother never received any that I know of. I never heard if my grandfather received any. My grandfather lived with the Indians in North Carolina and the Territory. I never heard of Hester, the enrolling agent in 1882. I never heard my mother say anything about my Indian blood and do not remember my grandfather speaking of it but have heard him tell about living with the Indians. I have heard the Choctaws talked about but do not know if they ever lived in this part of the country. I do not know what part of North Carolina my grandfather came from. My grandfather was not a preacher. Mr. Nash, a neighbor, knew my grandfather and heard him say many times that he was part Indian.

Dear Sir:-

Replving to your of the 26th, May, beg to advise that my grandparents Franklin was in the State of Tennessee at the time the enrollment was made and I am not in position to state at this time if any of my ancestors was parties to the treaties 1835-6 and 1846.

The name of the ancestor through whom I claim was Isaac Franklin who was 1/4 Indianna and who was my grandfather; he resided in the year 1835 and 1851 in Fentress County, Tennessee.

Mr. Frank L. Ryan.

Dear Sir

I send you the additional ~~the~~ Proof that you requested me to send the statement is made by an old lady 84 years old. The statement is written on a blank as it was a nice form to place all names ages and deaths at their proper places.

Miss Peet has known Robert Pierce all this lives and he was all ways recognized as a quarter roan Cherokee Indian. The reason Robert Pierce did not go west he was first a fourth Indian and his father kept him at home as the Law allowed him to do so. I hope this will reach you all O.K.
Yours truly,
G. W. Higgs.

Dear Sir:

I inclose herewith the application of Mr. Russell and his ^xtwo sisters. I regret that these blanks are not neater. Additional information was received since the execution of the applications of the two sisters and the Notary Public did not fill out the affidavits correctly, so that in one case I had to return it to him, and in the other had to have a new affidavit made and pasted to the blank. If any further information is desired, kindly write Mr. Russell or myself and we will endeavor to collect it. Mr. Russell has written to a number of relatives asking for any and all information they can give him of his grandparents.

Very truly yours,

Frederick William Schuch

Madam:

Relative to your application for participation in the Eastern Cherokee fund, please state whether you claim the right to participate in this fund through any other source than Benjamin Lasseter? State all you know of the Lasseter family? Were any of your ancestors ever slaves? If so, state by whom they were owned? Do you pass as white or colored in the community in which you live? Why were you, your parents and grandparents, never enrolled?

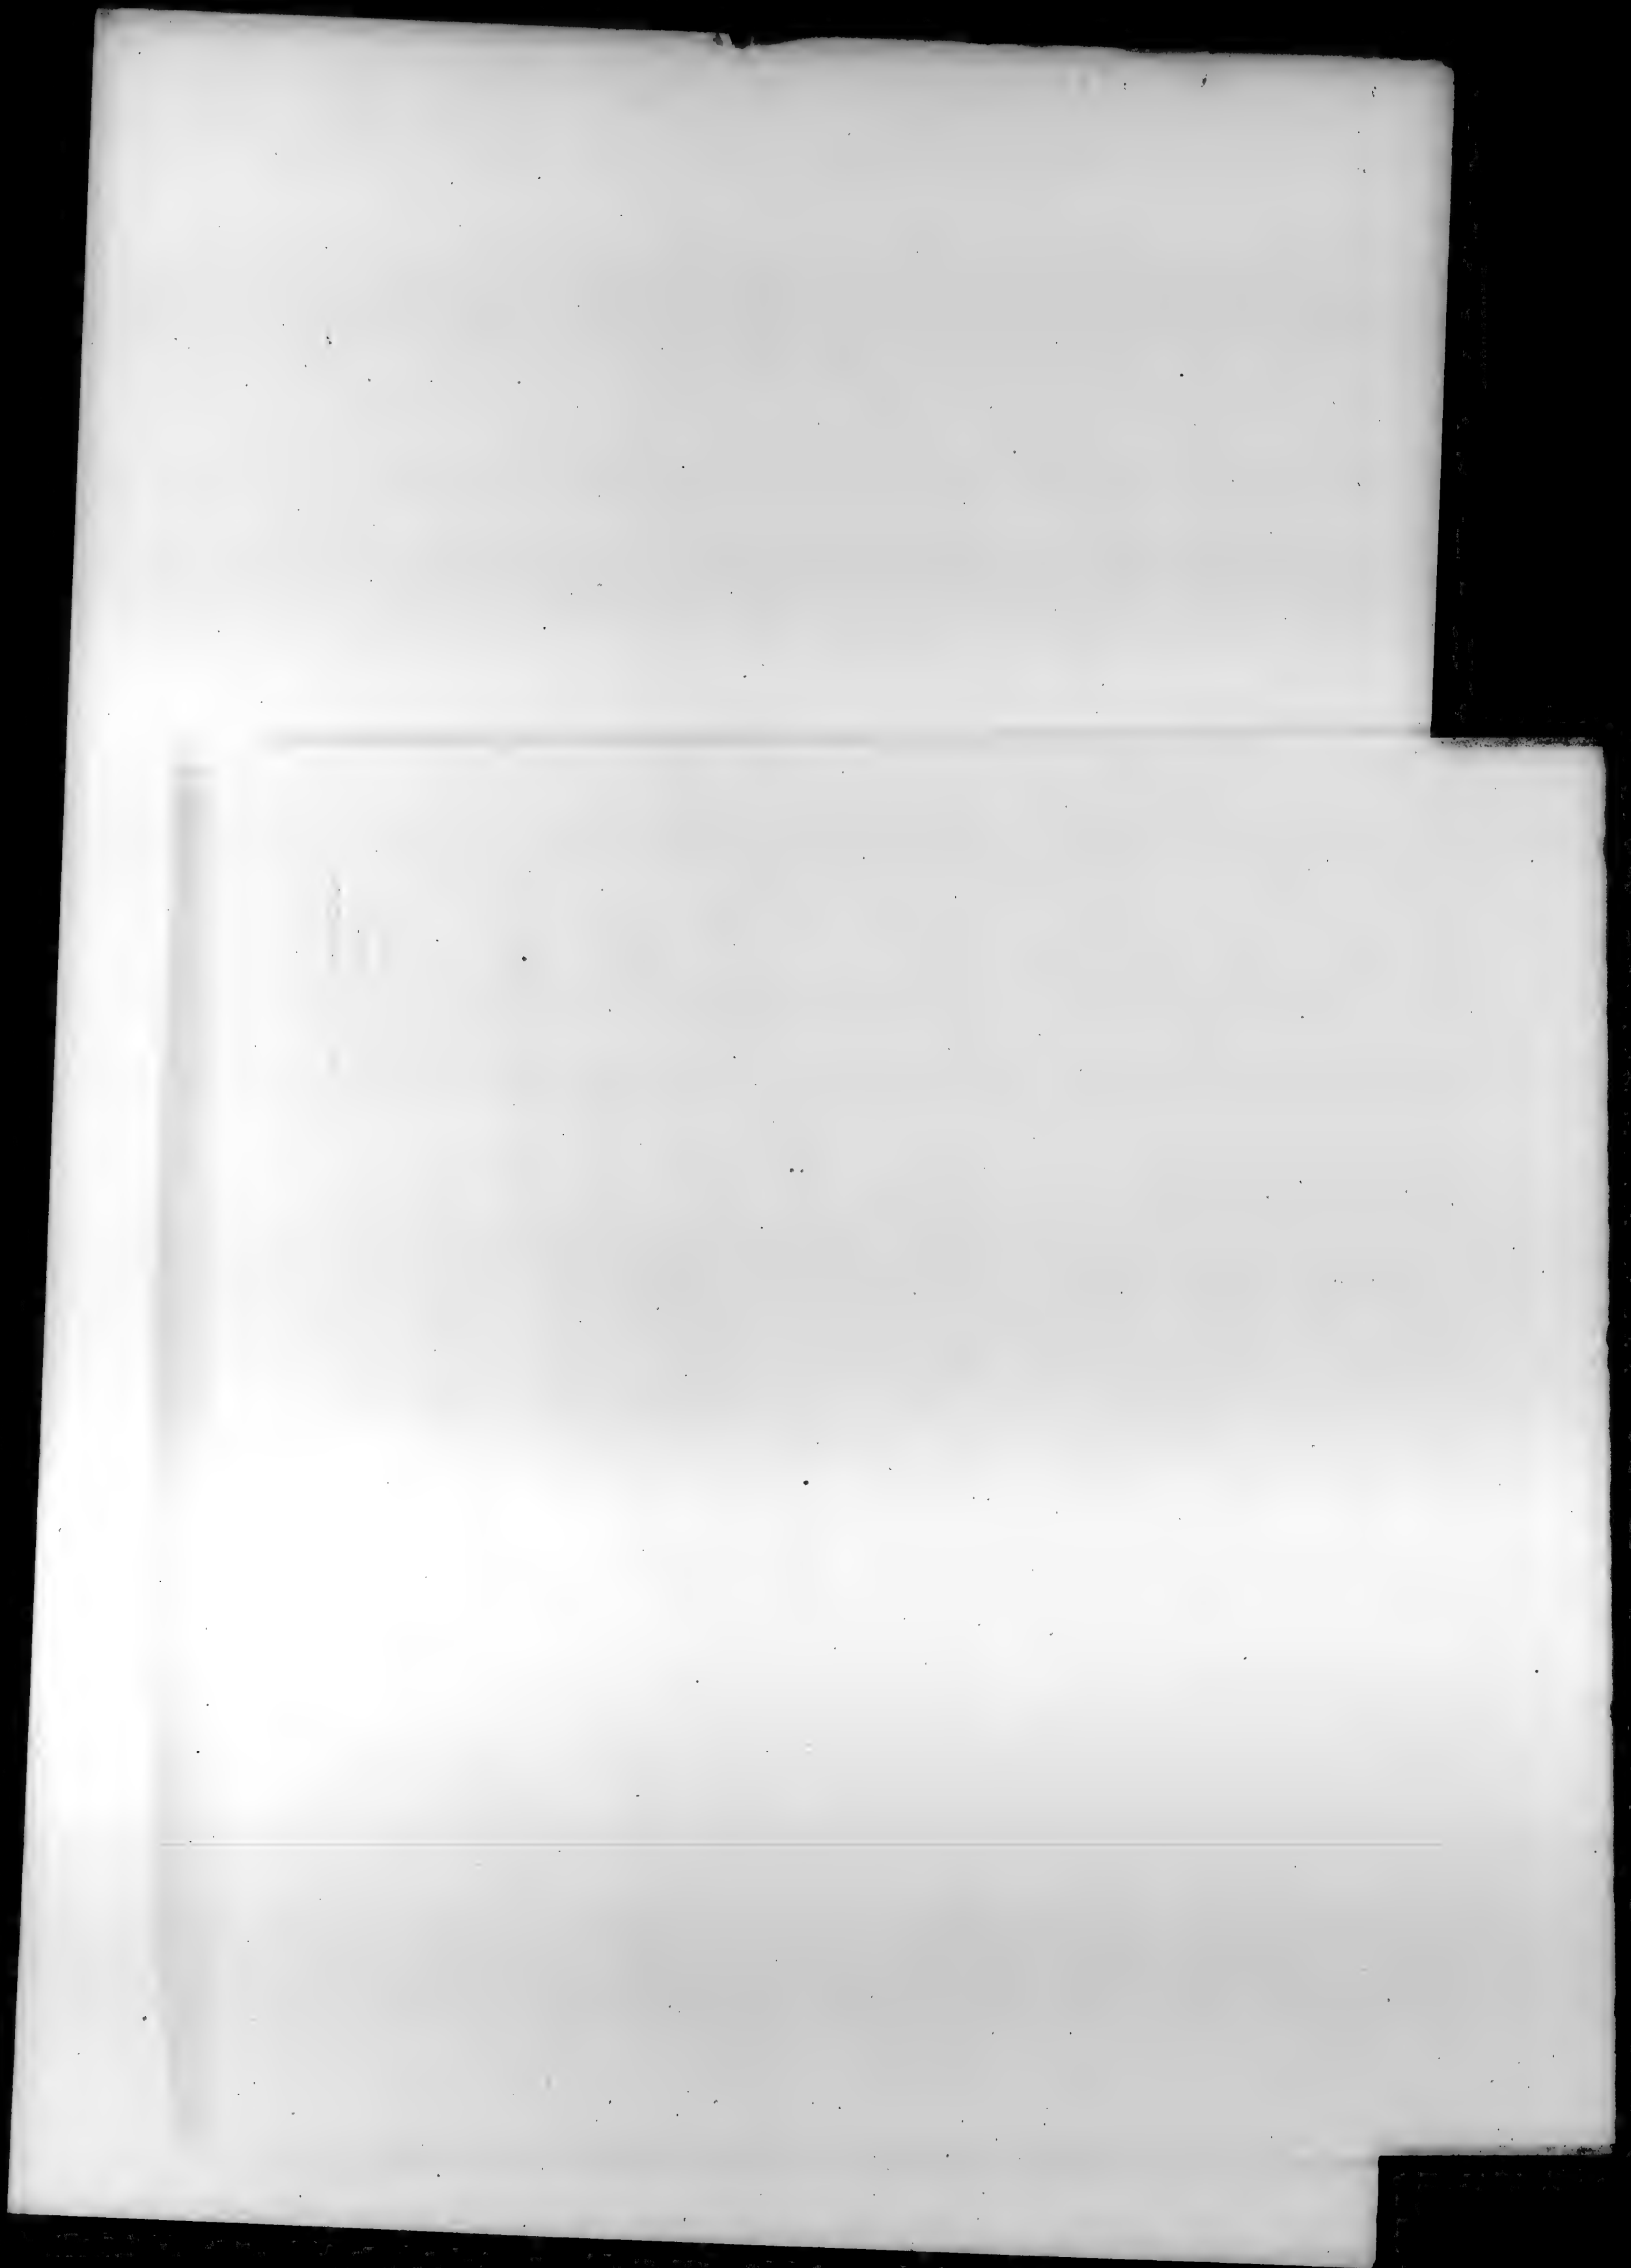

State clearly all your reasons for thinking that you are entitled to share in this fund, and give any other information obtainable tending to establish your right.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Dear Sir:-

Re: Applications Nos. 40640 & 49,419.

I am in receipt of your favor of the 18th instant.

Regarding the facts I set forth, I have always been proud of the Eastern Cherokee Indian blood, and it is through Benjamin Lasseter that I have inherited such blood. Records are maintained in the Eastern Cherokee Indian, and he dressed as such, and he associated with the Indians, and he was known as an Indian, and I know that I am a true descendant from Benjamin Lasseter.

I will be a later day, for inspection and consideration of my application, and I will be glad to furnish you with any information you may require.

Very truly yours,
John O. Newell

COUNT OF CLAIMS

No. 4653

Application No 40653 ^{MS}
London, W.V. 6/5/08

Hon. Quin Miller

Spec. Com. Court Claims
Washington, D.C.

Dear Sir:

In reply to enclosed blank will say that I don't know why my grandparents were not enrolled unless it was because they removed to Va now W.V. which I think was about the time the enrollment was made.

I think John Ross, who was a great uncle to my father, was a party to the Treaty or Treaties of 1835-6 and 1846. My father, Maston Estep was a son of Amin (~~Estep~~) ^(Tommy) Estep who was a niece of John Ross and I therefore claim John Ross and his relatives as my ancestors, especially, Amin (Tommy) Estep, my grandmother on my father's side. We pass as white, but the physique of the Indian is easily noticed in our people.

None of our ancestors were slaves that I know of. My grandma ^{Amin} ~~Tommy~~ ^(Estep) died in what is now West Va Kanawha Co. sometime about 1846 and is buried on Blue Creek. My father was living in W.V. (then Va) in 1867.

For further evidence see the affidavits of Lorenzo D. Hill, Jesse Tommy and others filed with the evidence of Joseph R. Hill of Lockwood, Nicholas Co. W.V. My father was an uncle of Lane Shannon Brauburn whose claim is No. 31011 and a brother to Sabra (Estep) Brauburn.

Respectfully

David Estep

Mary Lamb being first duly sworn in behalf of Katy Allen,
deposes and says:

That I am 75 years of age. I am the mother of Katy Allen. She claims her Indian descent through me. My husband was a full blooded white man. I claim my Indian descent through my mother, Betty or Betsy Hyde or Hyde. My father was a white man. I was born in Cobb Co., Ga. My father left there when I was about 6 years old and moved to Newton Co., Ga. He stayed there a couple of years and then he moved to middle Georgia - Cobb Co. near Atlanta, where he stayed until I was married. I was married long before the war. My mother died in 1873 and was eighty some years of age. She died in Alabama (Lowndes Co.) I never lived with the Indians as a member of the tribe. My mother lived with them before I was born, but stopped living with them when she was married. My grandfather, David Hyde, was a full blood Cherokee. I nor my mother were never on any rolls. My father would not enroll us. I am recognized as a white woman in the community. We would not let people know of our Indian blood. The reason I did not file application is because I am getting old and did not want to lose anything on getting my claim through. Another reason is that I was not with my daughter when she made hers. I nor my daughter here never made any application. This is the first one. The husband of applicant is a white man.

Dear Sir:

I hand you herewith exceptions of Katy Allen to judgement rendered in Application No. 40,667. Mrs. Allen is not posted as to the filing in her case, and I do not know that this Bill of Exceptions will be sufficient. I trust, however, that you will find the Bill to contain sufficient allegations to permit Mrs. Allen to secure additional evidence. She had executed power of attorney to one Anderson P. Cagle some years ago, but it seems that her attorney has about lost interest in the claim, and for that reason she came to me to prepare this Bill; in fact, she does not know her attorney's address.

You will please acknowledge receipt of Bill of Exceptions and give us such information as you feel at liberty to disclose.

EASTERN CHEROKEE ENROLLMENT
601 OURAY BUILDING
WASHINGTON, D. C.

Willie F. Daugherty,
Oronogo, Mo.

May 1, 1907.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. 40675..... for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

My name is Lon Lowry Crossfield; my best office is Ponca City, Okla.; I was born in Harrison Co., Mo. in 1858; I claim relationship to the Cherokee Indians through my mother, whose maiden name was Semira Baker who was one-sixteenth Cherokee Indian; my mother claims through her mother whose maiden name was Polly Elliott who was a half-breed; and she claims through her father, John Elliott who was a full-blood; my father, M. B. Crossfield gave me the full family history; he informed me that my great grand-parents were named Elliott and that my great grandfather, John Elliott was on the roll of 1835-6; he told me that John Elliott was a full-blood Cherokee Indian, was born and raised and lived among the Indians in North Carolina, and after the Treaty was made he came west to Indiana and died in Monroe Co. in 1851; my father knew old John Elliott and got the history right from him and my mother; my father and mother lived for a time with old John Elliott; my father knew my mother was Cherokee when he married her and has always told us about the matter; my father has told me that old John Elliott informed him that he was one of the head men in the Council of the Eastern Cherokee Indians; my father has told me that old John Elliott told him and my mother that she and her children would some day get money from the government under Treaty rights; I do not know why my brothers and sisters did not make application, I very seldom ever see them or hear from them; I knew I was entitled and went ahead and made application, thinking they would do the same. I do not know how many children old John Elliott had or anything more about the family.

State of Kansas, County of Pratt, SS:-

M. B. Crossfield being duly sworn says that he is 85 years of age; that he lives in Pratt and has lived in Pratt County for more that thirty years; that he is the father of Lowrie L. Crossfield who was born in Grundy County, Missouri about the year 1858; that the mother of said son Lowrie L. Crossfield was my wife, her maiden name was Samira Baker; I was married to her in Monroe County Indiana and she was born in Johnson County, Indiana in about the year 1830; that the mother of my wife Samira Baker was born in Virginia and her maiden name was Polly Elliott; the christian name of Polly Elliott's father I cannot give but I know that he was a son of John Elliott, who was a Cherokee Indian.

I was acquainted with the indian John Elliott and have heard the indian John Elliott talk and according to his own story in about the year 1835 he lived in Virginia, I heard him say so. And he also said that he was a party to the treaty made by the indians with the government in Virginia in about the year 1835; that afterwards and about the year 1841 or 1842 John Elliott moved to Indiana and since that time I have not heard anything from him.

My Dear Sir:

Rebill No. 21455, re. Millie A. Pike

I see from the report of the Hon. Gein Miller that Mrs. Millie A. Pike
was authorized to participate in a certain Judgment of the
Court of claims. She was authorized to file to find out if any
exceptions were available to her participation, and if not what
other steps she might take to obtain a refund.

The report also states that she was authorized, in that amount
to file a bill of costs in the court. I am sorry to hear that
she has not been able to do so. I am sorry to hear that
she has not been able to do so. I am sorry to hear that

Oklahoma.

Sir:

Your letter of October 11, 1909, is at hand. In reply you are advised that it is impossible for me at this time to state when the Eastern Cherokee fund will be distributed.

However, the money cannot be paid out for some time yet, as there have been a large number of exceptions filed to my report, and until these are considered and passed on and the roll finally approved by the Court no money can be paid.

Mrs. Pike will receive due notice of when the payment will be made, and anything further required of her in order to receive her share.

An abstract of the decrees of the Court of Claims is inclosed, herewith, as requested.

Very respectfully,

Special Commissioner.
